

## Solitary Man – Neil Diamond

Em Am G  
Melinda was mine 'til the time

Em  
That I found her

G Am  
Holding Jim

G Am  
And loving him

Em Am G  
Then Sue came along, loved me strong

Em  
That's what I thought

G Am  
Me and Sue

G Am  
But that died too

G C  
Don't know that I will

G D  
But until I can find me

D C  
A girl that'll stay

G D  
And won't play games behind me

Em  
I'll be what I am

D Em  
A solitary man

D Em  
Solitary man
